\*Rates are calculated using 2019 population estimates from the San Diego Association of Governments.

\*\*HHSA Region determined by resident zip code or city; some zip codes not available.

\*\*\*Persons of Hispanic/Latino ethnicity may belong to any race group. All categories except Hispanic/Latino include persons for whom race is known but ethnicity is non-Hispanic or unknown. SDIR categorizes "Multiple Races" as "Other Race" so all people who report being multiple races are categorized as "Other Race." "Other Race" may not have a standardized definition across data collecting entities or among patients reporting their own demographics.
